Thank you for taking the time to contact me.

This email is to advise you that I have received your email and that your concerns have been noted.

As the Member for Pearce, I receive a large number of emails on a daily basis from both those that reside within the electorate of Pearce and nationwide. I will read and consider your email carefully and I'm sure you will appreciate that I will not be able to respond immediately. In responding to emails, priority is given to those that live within Pearce. If you are emailing through a generic campaign then I will certainly note your views, and if you are emailing me from outside my electorate in my capacity as Minister for Social Services, please direct your email to minister@dss.gov.au.

To allow us to prioritise constituent emails and provide appropriate responses some basic information is needed from people requiring written responses. So if your email requires a considered written response but does not contain your name, address and contact details; you should include that information and resend your email so that a response can be forthcoming.

If your enquiry is urgent then please call my office on 08 6296 7255.

Again, thank you for taking the time to contact me.

Kind regards,

The Hon. Christian Porter MP

Federal Member for Pearce
