Dear Ms Clarkson

Re: Accountability for extreme bushfire deaths

I acknowledge receipt of your letter dated 5 June 2017 regarding accountability for extreme bushfire deaths.

While the Coroners Court of Victoria is committed to responding to public enquiries, it also has an obligation to ensure that its limited resources are used in the best manner possible.

For that reason, the Court will only respond to correspondence which raises information that is within scope, and it new and relevant to an ongoing investigation.

Yours sincerely
