Thank you for your email. Bob appreciates you have taken the time to contact him.

As Bob receives near 500 emails per day, it is not possible for him to respond personally to every email and it may take some time for you to receive a reply from one of his staff.

Bob gives priority to emails from his constituents in the electorate of Kennedy and seeks to respond within a reasonable timeframe.

If you are a resident of the Kennedy Electorate and the matter is urgent please phone our office on 1300 301 942.

If the email you have sent does not make it clear that you are a Kennedy constituent, you may wish to resend it with your street address included under your name.

If you are from outside the Kennedy electorate, please understand that your email may not be responded to. We would suggest that you contact your own Federal Member or Senate representative. Details can be found at www.aph.gov.au

If your email is in relation to a party issue, including policy, please contact the Katter's Australian Party directly. Contact details can be found at www.ausparty.org.au

Bob intends to improve Australian prosperity through job creation, establishment of infrastructure and support for Australian-owned businesses, including our farming, grazing and small family owned businesses. He stands against the sale and privatisation of critical State, Territory and National assets - assets paid for and owned by the people of Australia for the benefit of the nation.

Bob seeks to restore personal freedoms that have been unnecessarily eroded over the recent decades - from the requirement to pay for a licence to go fishing, to being fined for boiling a billy in your backyard.

Once again, thank you for contacting Bob, and where appropriate we will be back in touch within a reasonable timeframe with a more detailed response.

Yours sincerely,

Bob & Staff

The Hon. Bob Katter MP

Federal Member for Kennedy
